Table of fees

EPMAP Ltd. operating as an authorised EMI company offers several services to the clients.

The operating model of the company is based on the long lasting relationship with the clients, so the fees and margins applied to the clients' operations will be agreed with each of the clients individually as a result of the analysis of projected values and volumes of the transaction.

However the EPMAP Ltd. will not charge more for the services provided than what is specified in the table below.

Type of operation	Fee / Margin
Monthly maintenance of the client's account on the on-line EPMAP's Platform	0 EUR
Local payment in EUR	0 EUR
Local payment in local currency	0 EUR
Local payment in currency other than EUR and local currency	0 EUR
Cross border payment in other currency than EUR	0 EUR
Cross border payment in EUR	0 EUR
Currency exchange within G10 currencies	Up to 2% of the transaction value
Currency exchange outside of the G10 currencies	Up to 3% of the transaction value

In case of any question related to the fee structure – please contact us via an e-mail: office@aforti.biz
